Have a BBQ and social Surrey day.

All matches have to have a result on the day - no replays so before the match you need to come to an agreement on Shuffles or Flicks.

All results need to be e-mailed to me at jo.firth@btinternet.com the evening of the completed match and I will make the following round draw on the Tuesday after all results in. This will go onto the Surrey Website and I will also e-mail those involved.

Any club not fulfilling their match will not be allowed to enter next season.

First team named in the draw will be the home team, who will provide pitch and teas etc. Each team shall provide an umpire.

If you are interested please e-mail me Jo Firth - jo.firth@btinternet.com with 2 contacts details including match day mobile numbers of people involved and I will then circulate this list to all entered so you can make your match arrangements.
